## Education

**Indian Institute of Information Technology, Kota**

*Bachelor of Technology in Computer Science and Engineering*

**2022 – 2026**

*Kota, Rajasthan*

## Skills

**Languages:** Python, C, C++, JavaScript, Java, SQL

**Web Technologies:** Reactjs, TailwindCSS, Bootstrap, Material UI, Nodejs, Expressjs, MongoDB, JWT

**Miscellaneous:** VS Code, Google Cloud Platform, Linux, Github, Postman, Web Hosting

**Relevant Coursework:** Data Structures, Algorithms, Web Development, C, C++, Python, Java, Operating Systems, Artificial Intelligence

## Projects

**Alumni Portal - IIIT Kota** | React, Tailwind, Express, Node, MongoDB, BCrypt, Material UI, JWT **September 2024**

- Solely curated the Alumni Portal of IIIT Kota from scratch within a span of 2 months
- Added secure login/logout functionalities, a directory to filter alumni based on location, name, city etc, and profile pages for each alumni.
- Used best practices and a clean and crisp UI. The project is in production.

**Tomato** | React, Tailwind, Express, Node, MongoDB, Stripe

**April 2024**

- Architected a MERN stack food delivery site with 3 sections - Admin Panel, Front End and Back End.
- Engineered user authentication and payment integration using Stripe API, supporting 135+ currencies.
- Demonstrated expertise in deploying and managing full-stack applications on cloud platforms (Vercel and Render), configuring an administration page with user roles and permissions.

**Qissaa** | React, Tailwind, Express, Node, MongoDB

**February 2024**

- Engineered a responsive Front End of a full stack social media application, tailored for the LGBTQ+ community, within 1 month.
- Designed and implemented a modular UI system utilizing TailwindCSS, which streamlined the development process.
- Hosted the project on Vercel, deploying it on a custom domain for 1 year.

## Positions Of Responsibility

**President** | IIITians Network

**May 2024 – Present**

- Leading a community of over **14,500 students** across **31 IIITs**.
- Augmented follower count by over **12k** across social platforms by curating engaging content and hosting inter-college contests.
- Collaborated with **10+** college fests as Community Partners.

**Core Team Member** | Google Developer Student Clubs

**2023 - 2024**

- Planned and executed **10+** events, facilitated tech talks, and enhanced social visibility on LinkedIn by over **60 percent**.
- Led the organization of Gen AI Study Jams and Google Cloud Study Jams, achieving **Tier 1** with **80+** completions in both events.

**Trainee** | Training and Placement Cell

**April 2024 – Present**

- Overseeing outreach and management of the placement portal.
- Engaging with HRs and organizing events to bolster placement statistics.

**Trainee** | Webmasters

**2023 – 2024**

- Contributing to the management of IIIT Kota's official website as part of the Webmasters team.

## Achievements

- Leading successful nationwide initiatives - **United IIITs Placement Cells** and **United IIITs Commune**, fostering collaboration within institutes.
- Organized and hosted over **10 in-person events**, imparting technical skills and fostering community engagement.
- Contributed to the development and enhancement of open-source projects during **GSSoC'23** and **Hacktoberfest'23**, showcasing collaboration and coding prowess.
- Directed a team of **30+ talented individuals** as Vp and President of IIITians Network.
- Solved **600+** DSA questions across LeetCode, GeeksForGeeks and CodeChef.
